108 Spencer Rd.
Rochester, NY 14609

Scope and content:

The materials listed below came to the Archives in 2009 from NTID. They appear to have been collected over time and kept by someone at NTID. I have not yet determined who Mr. & Mrs. Claude Samuelson are yet or what their involvement is with NTID. They appear to have been involved with the Rochester Civic Association of the deaf. Mrs. Samuelson was secretary at some point. The RCAD came out of ESAD, Empire State Association of the Deaf, Inc. Included in this collection is a paper written by Mr. Samuelson titled *The Origin of Empire State Association of the Deaf, Inc.*

Included with the collection are correspondence, a 1989 office memo about the receipt of materials from Mrs. Samuel. The postcard mentioned was not with this collection.
