

Kate Gleason College of Engineering records

RITArc.0410

Inventory by Veronica Raco

01 August 2012

This collection contains correspondence, clippings, Microelectronic Engineering records, materials from the Engineers' Council for Professional Development, news releases, and other related materials. The former name was College of Applied Science and it changed to the College of Engineering in 1971. In 1998, the name was changed again, to Kate Gleason College of Engineering.

Box 1

- **Folder 1** – 1975-1976 Annual Report, College of Engineering
- **Folder 2** – Analysis of Electrical curricula in Selected Technical Institutes by Radha C. Das, 1949
- **Folder 3** – The BENT of Tau Beta Pi, April 1971
- **Folder 4** – Clippings, 1970-1971, 1974-1989
Clippings cover variety of topics under College of Engineering such as students, alumnus, faculty members, windmill project, information about the engineering programs at RIT, and how the field continues to grow. Some clippings are not directly related to Rochester Institute of Technology, but mention RIT's engineering programs.
- **Folder 5** – Continuing Education for Engineers – by College of Engineering, 1966-1969, 1985
Brochures offering information and sign-up for short seminars and courses.
- **Folder 6** – Correspondence, 1962, 1964-1965, 1968-1970, 1972, 1974, 1975, 1978-1979, 1981, 1985, and 1991
- **Folder 7** – Curriculum Proposals and Suggestions, 1965-1967
- **Folder 8** – Electrical Department, 1949, Date unknown
A list of senior students in electrical department, brochures for seminar series, a mailer/flyer, and a booklet about Railway Signaling.
- **Folder 9** - Engineering Technology (B.S. Degree), Date unknown
Contains flyers and a packet that explains about the degree. (RIT no longer offer this degree)
- **Folder 10** – Engineering Wall of Fame, RIT's 175th Anniversary, 1993, 2003, 2005
This folder contains materials related to John Lindsay Hill (1909-2009) including correspondence, documents that tell the story of his life, an interview, two colored printer photos, and other papers. (He was the past distinguished alumni for College of Engineering in 1993.)
- **Folder 11** – Engineers' Council for Professional Development, Inc., 1973-1975

Several correspondences and a statement for RIT from Engineers' Council for Professional Development. There are also cards indicating the engineering programs at RIT have been accredited by ECPD.

- **Folder 12** – Graduate Programs in Engineering, Date unknown
Rochester Institute of Technology / Engineering Graduate Programs report.
- **Folder 13** – Naming of Kate Gleason College of Engineering and Founders Award Presentation, 1999
Invitations and other related materials to celebrate the naming of the Kate Gleason College of Engineering and Founders Award Presentation, 16 April 1999.
- **Folder 14** – New Releases, June to August 1992
- **Folder 15** - Philosophy and Objectives, 1966-1975
- **Folder 16** – RIT Engineering Update, Fall 1990
- **Folder 17** – RIT Microelectronic Engineering, 1985-1989, 1989-1992, 1995-1996
- Included in this folder are brochures for short courses offered by Microelectronic Engineering and brochures for Annual Conference on Microelectronic Engineering. There is a booklet that provides a tour of RIT's Center for Microelectronic and Computer Engineering, paper from Dedication Ceremony, flyers, booklets, and sever other papers related to Microelectronic Engineering.
- **Folder 18** – Miscellaneous – College of Engineering, 1968-1970, 1980-1981, 1996, 2003, 2005
Various papers from or related to College of Engineering such as an enrollment list, invitations to different events, a membership list, and other papers.

Box 2

- **Folder 1** – Clippings, 1983-1989
- **Folder 2** – *Interaction* publication, 1985-1990
- **Folder 3** – *Applications for Quality & Applied Statistics* newsletter, 1993-2001
- **Folder 4** – Promotional materials, 1984-1997
