The NTID Student Congress records (NSC) includes meeting minutes, publications, club information, deaf community awareness and events that have been sponsored by the NSC. Together these items help to show the impact the NSC has had at NTID and RIT campus. The bulk of the NSC collection is meeting minutes from the NSC Executive Board meetings and general meetings. The dates of the Executive Board meeting minutes range from 1974-1989 and 1995-1999. General meeting minutes range from 1980-2000, 2006-2007 and 2011-2012. The bulk of the general meeting minutes take place in the 1990s. Another group of records contains information pertaining to NTID clubs, events, and organizations from 1983-2007. Publications in the collection consist of *The Observing Eye*, *NSC The View* from 2002-2003, *Eagle's Eye* and the *NTID Creative Arts Magazine* from 1997. Deaf community related information ranges from meeting minutes and information of NTID Dean's Student Leadership Advisory Group (DSLAG), Empire State Association of the Deaf (ESAD), Students Against Drunk Driving (SADD), American Athletic Association of the Deaf (AAAD) and Eastern Athletic Association of the Deaf (EAAD) organizations as well as newspaper clippings and letters of solidarity in regards to the Gallaudet Protest in 1988 and the Lexington Protest in 1994. The six photographs in the collection are unlabeled and are very pixelated. In the last box of the collection there are videotapes, digital video cassettes, CDs and a floppy disk, the contents of which provides some insight into various meetings and projects as well as "A Year in Review" from 2006-2007.
