

Peter Stehno Collection

Acc. 07:47

Peter Stehno was an RIT transfer student in 1963-1964. He and fellow student Joseph Dwyer were tragically killed in a car accident on April 23, 1964. This collection came to us through Peter Gaback, Development for the Library, in Apr. 2007 from a friend of the family. No family remains.

The collection contains school records from high school, community college, Manhattan School of Printing and RIT. This includes papers, exams, mock-ups, and projects he had done in school.

Also in the collection, are items related to his death. These include newspaper clipping, funeral register, mass cards and sympathy cards and letters.

The decision was made to keep only those items related to his time at RIT and his death. -JS
