Records from and about RIT's College of Science. The College of Science was dedicated in 1968. Programs offered by the college include Nuclear Medicine Technology, Physics, Premedical Studies, Computational Mathematics, Chemistry, Medical Technology, etc. Collection includes correspondence, course offerings, policies and procedures, newspaper clippings, course manuals, etc.

Box 1- College of Science

- **Folder 1:** Dedication
 - Dedication brochure- College of Science dedication November 15, 1968.
- **Folder 2:** Policies and Procedures
 - Manuals from 1971 and 1973
- **Folder 3: Promotional Materials**
 - Brochures promoting different degree programs 1952-1990's
 - Co-op brochures 1980's- 1990's
- **Folder 4:** Correspondence
 - 1963-1997, undated
- **Folder 5:** News Releases
 - Press packet from American Chemical Society's Biennial Conference on Chemical Education- 1980
 - Ultrasound Machine- 1992
- **Folder 6:** Course Offerings
 - Mini courses in science and math-1978-1990
- **Folder 7:** Workshops
 - 1974-1991
- **Folder 8:** Speaker's Bureau
 - 1979-1985
- **Folder 9:** Clippings
- **Folder 10:** Miscellaneous
 - Faculty list- 1967
 - College open house- undated
 - Major Health and Health Related Occupational Categories- circa 1970's

 - Faculty papers and publications- circa 1970's
 - Post card
 - Dean John Paliouras reception- 1979
 - Announcement for Center for Excellence in Mathematics, Science and Technology opening- 1998

- General Information about College of Science
 - College of Science Alumni Relations memo- prior of 1968
- **Folder 11:** Course Syllabi
 - Writing Laboratory Reports- undated
 - Science and Human Values GSHN 211- undated
- **Folder 12:** Curriculum Proposals
 - Health and Health Related Educational Programs- 1975
 - Mathematics and Science Component of General Education-1990
 - Case Statement- 1993
- **Folder 13:** Course Manual
 - Course 886 manual for Sample Size Determination- 1980
