Updated by: Jody Sidlauskas, 01/2016

Ella von Holtum, 05/2018

This collection of RIT related videotapes has been assembled by RIT Archives staff. The tapes which are in several formats cover newsworthy topics about or by RIT from the late 1970's through the 2000's. These were found in multiple locations throughout the Archive stacks and it is expected more will be added as they are found.

### BOX 1
