The RIT Women's Council was established in 1955 by three founders: Aileen Osborn Webb, Marcia Ellingson, and Ruby Davis. The vision statement for RIT Women's Council is: "The Women's Council will support the mission of RIT by supporting the success of RIT women students, faculty, and staff." During the academic year, the members attend board meetings, events, and guest speakers' presentations.

The RIT Women's Council also provides annual scholarships to NTID/RIT students, including those who are in their last year at RIT. Those scholarships are awarded to students who have excelled in their academics/clubs/organizations, despite their difficult circumstances, during the academic year.
